**MODE FUNCTIONS  
OPERATION**

English

**Keystroke Tones**

With Keystroke Tones turned On, your radio will sound beeps each time you press a button or change a setting.

**To Turn Keystroke Tones On or Off:**

When you turn On your microTALK® radio for the first time, Keystroke Tones will be On.

1. Press the MODE button until the Keystroke Tones icon flashes on the display. The current ON or OFF setting is displayed.
2. Press the CHANNEL UP or CHANNEL DOWN button to turn Keystroke Tones On or Off.

3. When your desired Keystroke Tone Mode setting is displayed, choose one of the following:
  - a. Press the MODE button to enter the new setting and return to LISTENING MODE.
  - b. Press the LOCK button to enter the new setting and return to LISTENING MODE.
  - c. Do not press any buttons for 15 seconds to enter the new setting and return to LISTENING MODE.

The setting you select will be saved when you turn your radio off and on again. When Keystroke Tones are On, the keystroke tone icon will be displayed.
